Special Membership Fee Invoice for 2021-2022

Due to the significant impact of the COVID-19 pandemic, the Board of Directors approved a special membership fee to the address costs and operations of the American Academy of Fixed Prosthodontics for 2021-2022. The items that will be addressed with this fee are detailed:

Reduction in 2020-21 membership dues	200.00
JPD subscription costs 2021-2022	220.00
Operation costs only for 2021-2022	<u>255.00</u>
TOTAL SPECIAL MEMBERSHIP FEE	\$675.00

The special fee is due for members starting May 1, 2021. The terms of payment will extend from May 1 – November 1, 2021 to allow our members who experienced hardship to pay without a late fee being assessed.

However, we do appreciate your prompt payment to allow us to effectively fulfill our educational mission and complete our preparation for Presidents Dunne's outstanding in-person meeting at the Marriott in Chicago in February 2022.

PAYMENTS CAN ONLY BE MADE ONLINE AT THE AAFP WEBSITE:
www.fixedprosthodontics.org

If you have any problems signing into the website, please contact our webmaster, Dr. Sangeetha Raghavendra, at admin@fixedprosthodontics.org.
