

AMERICAN ACADEMY OF FIXED PROSTHODONTICS PRESIDENTIAL BIOGRAPHY

RADI MASRI, DDS, MS, PhD

PRESIDENT, AAFP 2020 - 2021

Dr. Masri is a tenured Professor at the University of Maryland School of Dentistry and School of Medicine. He is the Program Director of the Advanced Education Program in Prosthodontics and the Director of Research and Discovery Division at the Department of Advanced Oral Sciences and Therapeutics. He is the Editor-in-Chief of the Journal of Prosthodontics, the President of the American Academy of Fixed Prosthodontics, and Director of the American Board of Prosthodontics. Dr. Masri is the author of the first book on clinical applications of digital dental technologies. He received his first dental degree from the University of Jordan Dental School in 1997 and completed a prosthodontic residency at the University of Maryland, Baltimore College

of Dental Surgery in 2001. Dr. Masri has a Master degree in oral biology and a PhD in biomedical sciences. He is a Diplomate of the American Board of Prosthodontics, a fellow of the American College of Prosthodontists, a member of the American Academy of Fixed Prosthodontics and fellow of the Academy of Prosthodontics.

He lectures nationally and internationally and serves as an external examiner for international dental schools in the field of prosthodontics. Dr. Masri has authored numerous scientific papers, holds several patents, and currently supervises a federally funded research laboratory that studies the etiology and treatment of chronic pain. Dr. Masri received many honors including the 2013 American College of Prosthodontist (ACP) Clinician Researcher Award, the 2015 Maryland LIFE Award for the most promising technology, and the 2018 ACP Distinguished Service Award.
