

AAFP Poster Presentations Program

The Chicago Marriott Hotel Downtown
Friday of the meeting at 5:15 – 7:00 p.m. Chicago
Ballroom, 5th Floor

Guide for Poster Presenters

- Judges select 2 poster presentations: the best ***clinical poster presentation*** and the ***best research presentation***.
- All of the winners will be announced and recognized on Saturday of the meeting at 10:15 AM at the general session.

Judging Steps

- Judging before the AAFP Annual Session. The result of this assessment weighs $1/5^{\text{th}}$ of the total score
- On-site Judging. The result of this assessment weighs $4/5^{\text{th}}$ of the total score

Judging before the AAFP Annual Session

Judging before the AAFP Annual Session

- Posters are randomly assigned to the judges (blinded)
- Judges score the assigned abstracts from 1 to 5

1 = Strongly Disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly Agree

1. **The information listed in the checklist is provided**
2. Clinical scenario is unique and it adds to our knowledge in the topic area.
3. Research study design is unique. The abstract is structured with purpose, materials and methods, results and conclusions.

On-site Judging

On-site Judging

- Judges with no conflict of interest are assigned to the specific number posters.
- Presenters are given 5-10 minutes for presentation, followed by 5-10 minutes of questions from judges.
- Presenters interact with the other members for the rest of the event.

On-site Judging Criteria

- 1 = Strongly Disagree, 2 = Disagree, 3 = Neutral, 4 = Agree, 5 = Strongly Agree
 1. Quality of the clinical scenario/ study design is great!
 2. The student's knowledge, enthusiasm, and ability to present and answer questions in the topic area are high.
 3. The student's role in the research design and method/ clinical scenario is appropriate.
 4. The presentation adds to our knowledge in the topic area and is based on a sound scientific and/or clinical scenario.

Finalists

- Finalists will be selected based on the highest total score in two categories: ***clinical poster presentation*** and ***research presentation***
- Below, please find an example of excel formula determining the final score:

Poster Category	Poster Number	Pre-AAFP Judging	On-site judging				Final Score	
		Abstract Score	1. Quality of Materials	2. Quality of Presentation	3. Student Role	4. Presentation adds to our knowledge		
EXAMPLE	EXAMPLE	3	4	4	4	2	4	17
Clinical	4							0
Clinical	5							0
Research	6							0
Clinical	7							0
Clinical	8							0
Clinical	9							0
Clinical	10							0
Research	11							0
Clinical	13							0

***Thank you for presenting at The American Academy of
Fixed Prosthodontics, Poster Session***
