"Comprehensive Management of Prosthodontic Challenges"

Program Chairs Dr. Sarit Kaplan & Dr. Ariel Raigrodski

Comprehensive Management of Prosthodontic Challenges is an educational program designed to bring together speakers from a myriad of scientific and clinical experience. Lecturers will present concepts and clinical techniques based on scientific evidence and their expert experience to enhance a provider's ability to plan, consult, refer, sequence, and achieve success in addressing a wide variety of complex patient care needs. This program is centered on the art as well as the science involved in recognizing, planning, and executing treatment options. The speakers will address a variety of revolutionary technologies and fundamental concepts for a multitude of patient situations.

This program will provide 13.5 CE credits.

A copy of the CE certificate will be available to download for all attendees who complete a speaker survey which will be sent out via email approximately three days after the annual meeting.

Please find your registration category at the bottom of this page.
